## VIRTUAL TRIBUTES

At Farewell Partners we are proud to offer Virtual Tributes as a lasting remembrance for family and friends grieving the loss of a loved one. Near, far, or socially distant, everyone is connected to honor and celebrate the life of the departed.

Our tributes are professionally planned and facilitated, allowing families to focus on the lasting legacy of those that have gone before us. Tributes include a personalized slideshow, custom music selection, and an opportunity for up to 300 guests to pay their respects online.

While virtual tributes do not take the place of a funeral, they do bring communities together to support each other during their greatest time of need.

we could feel the love... amazing!"*

Your family will be assigned a dedicated planner who will assist in creating a completely customized tribute.

### PREPARATION

We prepare speakers and guide set-up to ensure your tribute runs smoothly.

### ONLINE EVENT FACILITATION

We'll be there to begin the tribute, prompt presenters, initiate slideshows and videos, facilitate storytelling, and conclude your tribute with a proper send off for your loved one.

### RECEPTION ROOMS

Similar to a reception at a funeral, your family can visit with guests in small groups (e.g. one for high school friends, another for co-workers, and others for family branches) through our personalized online tributes

### TECHNICAL SUPPORT

You're not alone. We're ready with support for your speakers throughout your virtual tribute.
